Google phones can be used as a wireless router  
so you can connect your laptop+desktop to them for  
high speed internet without any cables.

### How to get it?

1) Pay a one time membership fee of ~~\$199~~ **\$99**

2) You can use any T-Mobile phone or any unlocked AT&T phone.  
Order a SIM card or activate any clean Verizon phone or Page Plus phone.  
Get a new number in any area code - free of charge  
or port(transfer) your existing cell phone number for only \$24.95

3) Find 3 people that also want to have free service and sign them up. \*  
**you will receive \$150-\$750 (\$50-\$250 per person).**  
If you refer more people that sign up you will get paid more.

#### Do it only 1 time and get:

- \* FREE unlimited everything cell phone service.
- \* Never See a Cell Phone Bill Again.
- \* Get paid week after week - Lifetime Residual Income.

## Save Money - Make Money

\* 3 people must have same plan as you, in order to be free.
